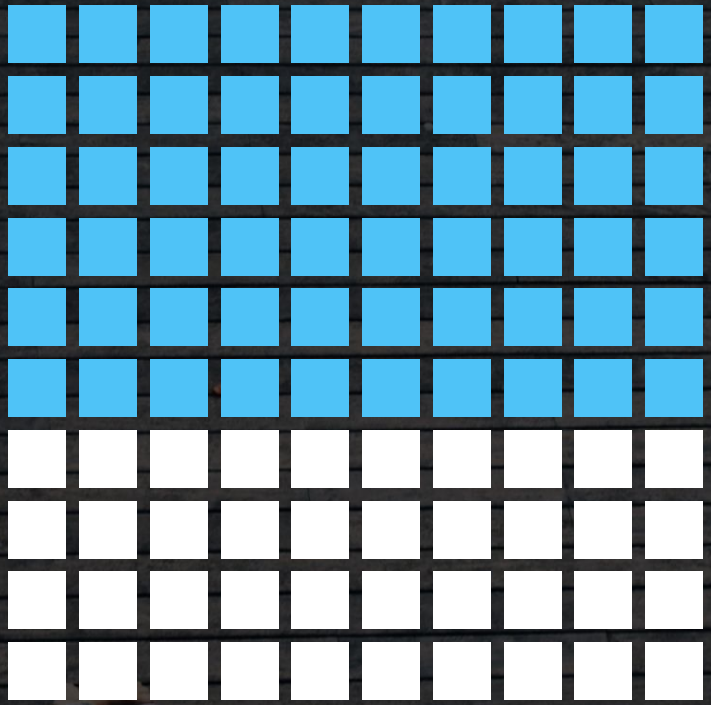
Overview

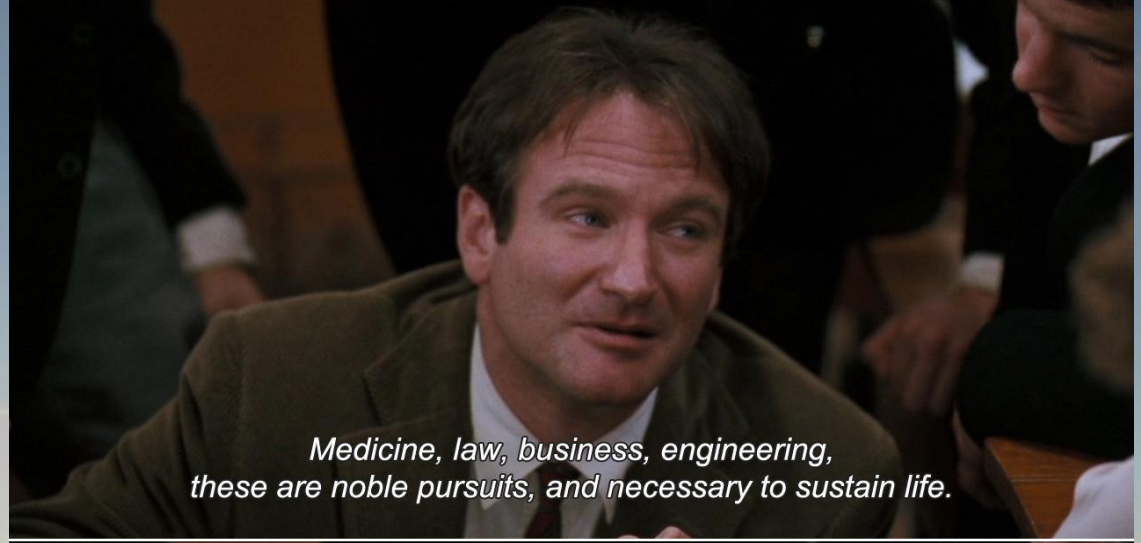
Overview

CineConnect is a web platform designed to unite movie enthusiasts, allowing them to **connect, share, and engage** with their passion for films.

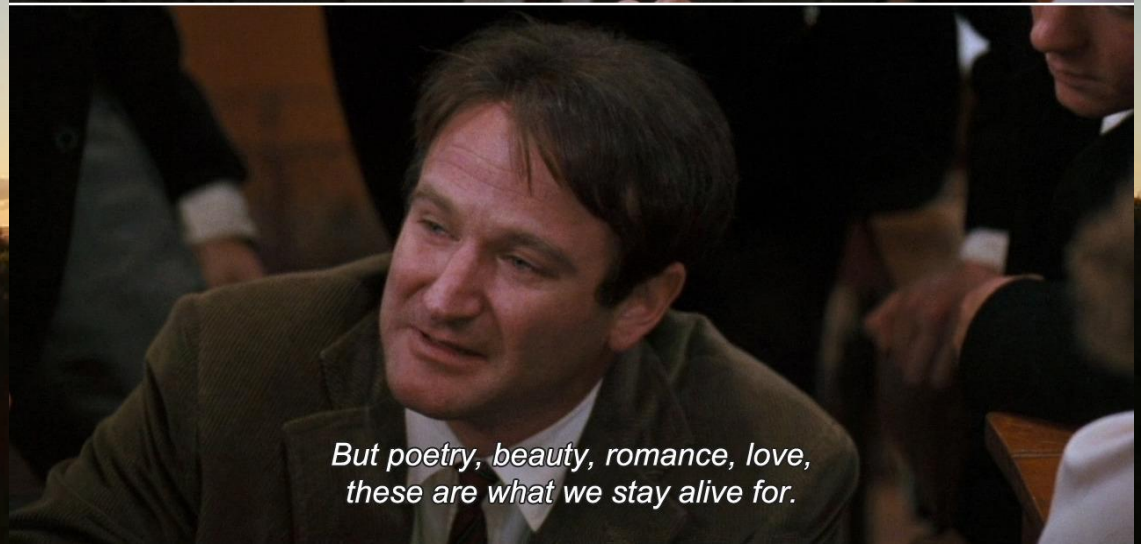
The platform aims to create a vibrant community where members can **discuss movies, discover new releases, and participate** in various movie-related activities.

Motivation?



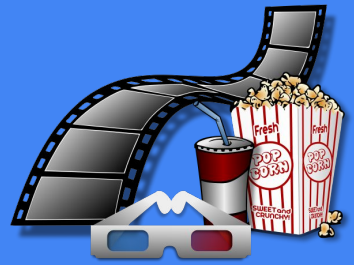


Medicine, law, business, engineering,
these are noble pursuits, and necessary to sustain life.



But poetry, beauty, romance, love,
these are what we stay alive for.

Motivation



- Encouraging critical thinking within the community.
- Engaging in discussions and sharing perspectives with like-minded individuals
- Seeking arts and accessories related to beloved movies and series.
- Offering a proximity-based showtime finder for convenient movie viewing
